

Jane Eyre
An Autobiography
Lighting Plan
Dyad Productions

A = FOH Profile (Lee 204) rigged centre (soft edge / frost)

B = Warm Wash (Lee 204) from FOH, overhead and sides (all SR, CS, SL) - so either 6 or 9 lanterns depending on whether you're using 1 or 2 overhead bars. Cannot be paired (use lanterns separately as well as a wash)

C = Cold Wash (Lee 200) from FOH, overhead and sides (again either 6 or 9 lanterns). FOH can be paired, an overhead can be paired.

D = 3 or 5 backlights (depending on your lantern spread) - Lee 200. Fresnels, rigged upstage of Gauze.

F1-F6 = 6 birdies (3 in Lee 441, 3 in Lee 019) provided by the company (PAT tested)
